Safety, access & liability

For your peace of mind, your Samira Home Decor cleaner is police-checked. By signing this form you acknowledge and agree:

- Access & permission: I authorise Samira Home Decor to enter and clean the property at the agreed times, with or without me present. If I provide a key, lockbox code or other access, I consent to its use for the agreed clean(s).
- Keys: any key or code I provide is held securely, never labelled with the address, and returned or destroyed when the arrangement ends.
- Valuables: I will secure cash, jewellery, medication, documents and valuables before each clean. The cleaner is not responsible for items left unsecured.
- Payments & fraud: all payments are made to Samira Home Decor, never to the cleaner personally. The cleaner is not responsible for, and will not be blamed for, any payment dispute, chargeback, fraudulent transaction or missing money — these are handled with Samira Home Decor directly.

- After the clean: once the clean is completed and the cleaner has left the property, Samira Home Decor and the cleaner are not liable for the property, its contents, or any issue raised afterwards. I will report any concern within 24 hours (end-of-lease within 72 hours) so it can be put right.
- A safe workplace: I will provide a safe environment — pets secured and hazards disclosed in advance (e.g. mould, pests, broken glass, sharps, strong chemicals). Samira Home Decor may decline, pause or leave a clean where the environment is unsafe or inappropriate.
- Accidental damage: in the rare event of accidental damage, I will notify Samira Home Decor within 24 hours with photos so it can be reviewed fairly.

Agreement

- A 20% deposit (minimum $50) secures the booking and comes off the final bill.
- Deposits are non-refundable for cancellations with less than 24 hours' notice.
- If anything is missed, tell us within 24 hours and we'll return to fix it at no charge (end-of-lease: 72 hours).
- Samira Home Decor is not registered for GST; no GST is charged.

I have read and agree to the safety, access and liability terms and the agreement above.
